

Roll Up Classic

The Expolinc Roll Up Classic is a high quality and easy to use roll-up frame to last from event to event. The frame has a simple, stylish and stable stand and is available in different widths, the most common size being 850 mm. The 850/1000 models are also available in black. The high-quality canvas is made from B1-rated fire-resistant material, making the roll-up suitable for all public spaces with fire load restrictions. All Expolinc frames come with a lifetime warranty.

A padded carrying case is included while a hard case and a light are available as accessories. The 850/1000/1450 frames can also be equipped with a color strip on the stand (blue, red, yellow or black).

Product	Panel size	Visible size
Roll Up Classic 700	700 x 2200 mm	700 x 1950 mm
Roll Up Classic 850	850 x 2400 mm	850 x 2150 mm
Roll Up Classic 1000	1000 x 2400 mm	1100 x 2150 mm
Roll Up Classic 1150	1150 x 2400 mm	1150 x 2150 mm
Roll Up Classic 1450	1450 x 2400 mm	1450 x 2150 mm

*Stock item with short delivery times.

Leave 5 mm bleed on both sides and up, and 200 mm bleed down. Recommended resolution of bitmaps is 100-150 dpi and the document should be a print-ready PDF, 1:1 scale and in CMYK-colours.

More information on the technical recommendations can be found on our website www.printworks.fi (Finnish only). You may send your questions also via e-mail to info@printworks.fi.

Send your print-ready file to aineistot@printworks.fi. Please mention which job and which customer is related.
